Chapter 1

Friends?

A/N: This is a poem I wrote so I could vent. This has nothing to do with my stories, just thoughts I had.

Friends

He seems so nice

Correction, he is nice

Helps others, never complaining

He may not get my sence of humor,

My retarded self-defence

But he tries,

Asking me how I am,

Smiling at me too cheer me up,

Am I reading too far into this?

Maybe he's just like that.

Maybe I'm just personifying my day-dreams

Is my sence of reality off?

Should I ignore it and count my blessings?

These questions race through my mind

Yes or no?

Wrong or right?

I wish everything was black and white.

Easier to read,

To comprehend

But what can I do?

Nothing.

What is he thinking?

Do we think alike?

Who knows.

I don't think my questions will ever be answered.

I guess I'll just have to wait and see where we end up.

Chapter 2

Love Sucks.

Love Sucks.

A/N: This is from my personal writing, and isn't fiction. I wrote this a few days ago, and I wanted to post it.

I said, "I'll be stuck with him for a whole week!"

She then responded, "Well hopefully there will be hot guys and you can flirt in front of him."

We then moved on with our conversation.

There's a problem though, he won't care. He already has someone else, even if she is thousands of miles

away. Just like she has him even though he's thousands of miles away.

I thought telling my friend would help, but what was I thinking? I was just having the blind lead the blind.

So, here I am, sitting in my room, listening to screamo and thinking of him.

He is too intimidating. He thinks I am just another girl. Why should he care? He already has her.

Why can't I get over him? Why?!

I've tried, I swear. It just never works.

A/N: Sorry for sounding so emo. I'm completely over him now, I saw what a jerk he was and learned that he's not worth my time. Peace!

Chapter 3

False Front

A/N: I was going through one of my notebooks I write in when I travel and I found this poem I wrote in the middle of the summer. I thought you guys might like it. Yes, this is from personal experiences--If you're wondering. <3 SarahRuRu

~False Front~

Goodness, I can't get him out of my mind.

He looked so lonely; so sad.

Did he choose this?

Yes.

Did he regret it?

Who knows.

Does everyone put up a false front?

Maybe.

I know I'm guilty;

Acting so strong;

Never crying.

Some people think that's cool, admirable.

I am not so sure.

I've been thinking;

Maybe strong isn't the way,

I never let anyone in.

Maybe one day someone will break. . .

Break the barriers I've worked so hard to construct.

Some have come close,

But then they give up.

Will I ever let anyone in?

Chapter 4

Perfect Pair

~ Perfect Pair ~

We were so close.

Friends.

I thought you were better than this.

Smarter.

I wanted all my friends to get to know you too.

Big mistake.

You and her. The perfect couple.

Together forever.

Everyone thought it would happen eventually.

I never knew it would be this fast.

I should've known.

Should've seen it coming.

But it's too late for that now.

I didn't even think I liked you that way.

But here it is and I'm really dreading tomorrow.

Don't worry, you won't notice how I feel.

I'll be "happy" and congratulate you two.

So cute.

Perfect.

Together forever.

**A/N: Sorry. Just venting. :P
